No. 4.6.6742/45 dated 16th January 194 6

Sir,

Sub:- Depressed Classes Mission, Mangalore - Special grant for Court Hill Higher Elementary School Enhancement.

Refce:- G.O. No. 2686, P.W.D., dated 28.9.1944.

In the G.O. cited, the Government approved the following proposal of the Commissioner of Labour:

"In respect of the Court Hill Higher Elementary School run by the Mission, besides the grant of Rs.1,000/- sanctioned in G.O. No.1716 L., dated 6.7.31 for the maintenance of the carpentry workshop, a new grant of Rs.500/- per annum be sanctioned to the Mission towards the maintenance of the Higher Elementary School until normal conditions are restored, subject to the condition that the Mission should bear one-fourth of the gross expenditure and that the grant will be proportionately reduced if the net deficit does not exceed Rs.500/-.

The Collector of South Kanara, in his letter No. D.Dis.1240-45 dated 22-12-1945 (copy enclosed), recommends that the above order may be modified so as to make it one-fourth net deficit to be borne by the Mission and the remaining three fourth by the Government.

2. It will be seen from the statement of expenditure received with the Collector's letter that the gross expenditure for the year 1944-45 was Rs.1,825-14-11. According to the present orders of the Government, the Mission will have to bear one fourth of this expenditure which comes to Rs.456.7.9 The Collector now recommends that the Mission may be asked to pay one-fourth of the net deficit. The net deficit is as follows:-

Gross expenditure	Rs.1,825.14.11
Grants received from the District Educational Officer & others.	Rs.1.135.12. 6
Net deficit	Rs. 690. 2. 5

According to the Collector's present proposal, the Mission will pay one-fourth of Rs.690-2-5 i.e., Rs.172-8-0 and the balance will be met by the Government.

3. I support the Collector's recommendation and request that the Government may be pleased to modify the G.O. mentioned above, as recommended by the Collector.

I have the honour to be.
Sir,
Your most obedient servant,

For Commissioner of Labour.

Depressed classes Mission, Bangalore - Special grant for court hill Higher Elementary School - Sanctioned - Application - Rejected.

Ref. 1. G.O. No. 2[illegible]6 Misc., dated [illegible].44
2. Letters dated 15.10.45 and 29.11.45 of the Secretary, Depressed Class Mission, Bangalore.

The Government sanctioned a new grant of Rs.[illegible] in G.O. No. [illegible]6 Misc. dated [illegible].9.44 to the Depressed Class Mission, Bangalore towards the maintenance of Court Hill Higher Elementary School subject to the condition that the Mission should bear one fourth of the gross expenditure and that the grant will be proportionately reduced if the net deficit does not exceed Rs.300/-. The Secretary, Depressed Class Mission, Bangalore states that this condition had laid a great strain on the financial condition of the Mission as it is not possible to utilise even half of the sanctioned grant. He requests that the condition may be modified so as to make it one fourth net deficit to be borne by the Mission and the remaining three fourth by the Government.

2. The statement of receipts and expenditure attached to the audit report of the Mission for 1944-45 relating to the Court Hill Higher Elementary School shows that out of the new grant of [illegible] a sum of Rs.1,133.10.3 only could be utilised by the Mission on account of the restriction laid down in the Government order. Since the receipts on account of educational grants and miscellaneous collections by the Mission were less than the gross expenditure, a sum of Rs.450-7-9 was (one fourth of the gross expenditure, had to be met by the Mission with the result a sum of Rs.200-5-4 out of the grant of Rs.300 had to be refunded. If, on the other hand, one fourth of the net deficit is borne by the Mission and the remaining three-fourths ~~of the net~~ is met by the Government, there is better scope for the Mission to make use of the grant fully. In this connection I invite your attention to my L.Dis. No. 3743-44 dated 19.8.44 (in reply to your Ref.A.6-2107-44 dated 18.4.44) in which detailed particulars of receipts and expenditure of the Mission for the year 1940 to 1943 were furnished.

3. In the circumstances stated above, the request of the Secretary may be considered favourably and the Government may be moved to modify the condition laid down in the G.O.

4. Statement of receipts and expenditure for [illegible] furnished by the Secretary is enclosed together with a copy of Appendix V of the Audit Report for 1944-45.

5 (R) In G.O. No. 1716-L dated 6.7.1931 standing sanction was accorded for the payment of a grant not exceeding Rs 1000/- annually to the Depressed Classes Mission Mangalore, towards the cost of maintaining the carpentary workshop attached to the Court Hill School. Again in G.O. No. 2686 PWD dated 28.9.44 a new grant of Rs 500/- p.m. was sanctioned to the Mission towards the maintenance of the Higher Elementary school until normal conditions are restored subject to the condition that the Mission should bear one-fourth of the gross expenditure and that the grant will be proportionately reduced if the net deficit does not exceed Rs 500/- In the circumstances explained in p.2 (P) the Collector of South Kanara recommends that the order in G.O. No 2686 PWD dated 28.9.44 may be modified so as to make it one-fourth net deficit to be borne by the Mission and the remaining three fourth by the Government. The G of I approves the Collector's recommendation

2 It is observed from the account for 1944-45 furnished by the Collector that the Mission has to refund a sum of Rs 366-5-4 out of Rs 500/- sanctioned in G.O. No 2686 PWD dated 28-9-44. According to the proposal at 1 above the Mission will bear Rs 172-8-0 out of the deficit of Rs 690-2-5 and the remaining deficit of Rs 518-10-5 will have to be

borne by the Govt. It is for consideration whether standing sanction similar to the orders in G.O. No. 1716-P.W.L dated 6.7.31 may be accorded for the payment of Rs 500/- annually to the Mission towards the maintenance of the Higher Elementary School without laying down any conditions. The file may be sent to Finance dept. for remarks.

Finance (Exp B)

In G.O. No. 2686 P.W. dated 28.9.44, an annual grant of Rs 500/- was sanctioned to the Depressed Classes Mission, Mangalore, towards the maintenance of the Courthill Elementary School subject to the condition that the Mission should bear one-fourth of the gross expenditure on maintenance and that the grant will be proportionately reduced if the net deficit did not exceed Rs 500. The Secy. of the Mission has stated that these conditions have laid a great strain on the financial condition of the Mission, as it has not been possible to utilize even half the sanctioned grant. It is stated that the sum of Rs 456-7-9 representing 1/4 of the gross expenditure during 1944-5 had to be met by the Mission and that a sum of Rs 233-10-8 only could be utilized out of the grant of Rs 500/- referred to above. The Secretary has, therefore, requested that the orders in the G.O. referred to above may be so modified that only one fourth of the deficit need be paid by the Mission and the remaining three fourths met by the Govt. The Collector of South Kanara and the Commr. of Labour have recommended the proposal.

2 According to the above proposal, the amount to be met by the Mission, on the basis of the deficit for 1944-45, works out to Rs 172-8-0 and the Govt's share comes to Rs 518-10-5. P.W. have suggested that standing sanction similar to that in G.O. No. 1716 P.W.L dated 6.7.31 may

Lbe

accorded for the payment of Rs 500 per annum towards maintenance of the School without laying down any conditions. That the proposal of P.W. may be accepted, subject to the remark that the grant may be sanctioned until normal conditions are restored.

2. The case may be returned to P.W.

4/262.46 27/2/46.

The grant of Rs. 500 p.a. sanctioned in G.O. 2686, P.W.D., 28.9.44, is a temporary one — to be paid "until normal conditions are restored". There can therefore be no question of a standing sanction being accorded now. Finance may agree to the Govt. bearing 3/4 the of the net deficits in each of the years 1944-5 & 1945-6 subject to a maximum of Rs. 500 a year. The P.W.D. may be requested to examine the question of the necessity for continuance of the grant in 1946-7 & Thereafter in the Course.
